

**Apart From Floors and Walls, We Add Value.
We Are Tenacious, Proactive, Timely, Trusting, and Transparent.
We Keep It Simple, Quick, and Easy for You.**

Restructured departments or working from home?
We fill the void that can impact your core competencies,
stifle collaboration, and decision making.

We have 50 years' experience delivering floor and wall finishes to end-users, developers, buyers, designers, and specifiers.
From the abundance of resources we've built and entrusted, we identify the finishes that best fit your
Design Intent, Performance, Availability and Budget. We add value by returning to you the
precious time required to meet all your criteria, and then invite you to purchase from our sources direct.
You eliminate layers of difficulty, stress, and profit margin. Where else will you find five decades of
experience, trust, and transparency, backed by our passion for customer experience.
